

Mixster Registration

Yes, we hate forms too...

...but we need to get a little bit of information from you so we can set your team up on the best Mixster possible.

Please send this completed form along with a recent photo(s) of the team/ members (clearly labelling who is who) to **hello@mixster.co.uk**. We promise that the photos will only be viewed by us and not by other teams... ever!

This is a very clever form as it allows your team to enter their details and pass the document on, but don't forget to save your details in-between!

Once the final person has entered their details they can hit the send button and the document will be emailed straight to us. If you are not techie, or this doesn't work, feel free to send back the completed form as an attachment.

When we receive the completed form we will try to get you into the requested event. Please note that as we always try and put your team on the best possible Mixster, (with other teams we think you will like) sometimes this is not always possible and we will arrange another date for your team.

Once we have agreed a date with your team, you need to pay your £80 group fee. When this has cleared we will confirm your place. Bank details to follow. Please use your team leader's name as the reference for the payment and only make one payment of £80 per team.

Right one last thing before you move on to page two, can you please, please, please let us know who told you / how you heard about Mixster in the box below.

I know about Mixster because

Best wishes, Katie & Amy x

The boring – but nonetheless important – bit:

(1) Your place will only be confirmed when we receive cleared funds from the team leader of £80 for the entire group – please note Mixster is unable to take individual payments. (2) Mixster must receive cleared funds for the team at least one week before the event, or your team's place will be passed on. (3) If a member(s) of your Mixster drops out it is your responsibility to replace them – no refunds are available and you will not be able to take part without a full team. Please let Mixster know if there are going to be any issues as soon as possible. (4) Mixster will never intentionally hold an event without equal numbers of men and women, however, if people are unable to attend the event due to unforeseen circumstances, Mixster reserves the right to continue with the event and there will be no refunds made to any teams. (5) The information you provide us is strictly private and we will never sell on your details to third parties although we may contact you from time to time about events and offers.

Tell us about yourselves...
